Northwestern Ontario Water and Wastewater Conference

SPONSORSHIP PACKAGE 2026

NWOWWC

OCTOBER 15 & 16, 2026

Dear Patron,

Thank you for supporting the 2026 Northwestern Ontario Water and Wastewater Conference. This annual event offers a unique chance to gain exposure, show support, and network with other businesses and organizations committed to the water and wastewater industry.

We are pleased to present the Sponsorship Package for the 69th Northwestern Ontario Water and Wastewater Conference.

This year we have added a new tier, the Platinum+ Sponsorship, which is exclusive to only two sponsors. As a Platinum+, your company is one of only two Hospitality Night sponsors and will be recognized during the conference as the Hospitality Night Sponsor, during all the Hospitality Night announcements, and your logo will be displayed on all the Hospitality Night advertising.

We sincerely appreciate your support as we work towards building a bigger & better conference year after year!

Board of Directors and Planning Committee
NWOWWC
