

Northwestern Ontario Water and Wastewater Conference

SPONSORSHIP PACKAGE

2025

NWOWWC
OCTOBER 16 & 17, 2025

Dear Patron,

Thank you for supporting Northwestern Ontario Water and Wastewater Conference. This annual event offers a unique chance to gain exposure, show support, and network with other businesses and organizations committed to the water and wastewater industry.

We are pleased to present the Sponsorship Package for the 68th Northwestern Ontario Water and Wastewater Conference.

In 2024 we revamped our sponsorship package to provide the best possible exposure before and during the conference. We have increased the value of the Platinum Sponsorship category to maximize the opportunities to connect with event participants.

We sincerely appreciate your support as we work towards building a better conference.

Board of Directors and Planning Committee
NWOWWC
