

OWWA/WEAO Climate Action Award 2022

**CALL FOR SUBMISSIONS IS
NOW OPEN**

This award recognizes and acknowledges innovations in infrastructure that adapt to climate change (resilient infrastructure) or reduce climate impacts by significantly decreasing greenhouse gas emissions (mitigation).

The award is open to all agencies, municipalities, and private sector companies in Ontario's water sector.

To learn more, visit
www.owwa.ca/committees/climate-change

Applications will be accepted until January 31, 2023
