

## The Municipality of Strathroy-Caradoc – Full-Time Job Opportunity

### Environmental Services Operator (Unionized)

The Municipality of Strathroy-Caradoc is looking for someone who shares our values of teamwork, respect, honesty and commitment. You will be joining a team of dedicated, professional and committed co-workers, willing to go the extra mile to serve residents and ratepayers. Our mission is to lead and serve our communities by pursuing opportunities, leveraging partnerships and managing our resources to achieve growth. The bar is set high, but we strive to reach it together.

If you are looking for an opportunity to learn and grow and promote positive change in a friendly, safe environment, we'd love to hear from you!

### **Strathroy-Caradoc... Urban Opportunity, Rural Hospitality.**

The Municipality of Strathroy-Caradoc's Environmental Services division is currently accepting applications for two (2) full-time permanent "Environmental Services Operator."

Successful candidates will be required to be available for scheduled weekend (Saturday and Sunday) shifts.

#### **Position Summary:**

Under the general supervision of the Manager of Environmental Services, and the technical direction and guidance of the Lead Hand, Environmental Services, the Environmental Services Operator will perform the day to day operations and maintenance of Water and Wastewater facilities, and linear infrastructure.

#### **Goal Statement:**

As a member of the Municipal team, each employee is responsible for serving the citizens of Strathroy-Caradoc by meeting the ratepayers' needs and expectations, as articulated by Council, by striving to be the best in everything we do through attitude, training and creativity, and for representing the Municipality as a strong, integrated organization dedicated to quality, sustainable and viable services.

#### **Qualifications:**

- Successful completion of a minimum two (2) year post-secondary program in Environmental Sciences, Engineering Technology or related field, or equivalent experience
- Minimum: Valid MECP Certification, Water Distribution and Wastewater Treatment and Collection Operator in Training (OIT) Licences  
Preferred: Valid MECP Certification Level 1 Water Distribution and Level 1 Wastewater Treatment (includes Level 1 Wastewater Collection) Licences
- Water meter installers certification 800A or equivalent preferred

- Working knowledge of provincial Safe Drinking Water Act and associated regulations
- Previous applicable knowledge and/or experience in water distribution, wastewater treatment and wastewater collection systems considered an asset
- Knowledge of preventative and prescriptive maintenance principles for operation of Water and Wastewater facilities
- Ability to use computers and related software including MS Word, Excel, Outlook, maintenance management work order system, and administrative (timesheet) systems
- Excellent customer service, communication and interpersonal skills
- Valid class "G" Ontario Driver's Licence with a satisfactory driver's abstract
- Must be competent within the meaning of the Occupational Health and Safety Act
- First Aid and CPR certified, preferred
- Confined space training considered an asset
- Ability to use small tools and equipment
- Able to perform physical requirements of position (e.g. lift objects up to 25 kg, work in confined spaces and in all types of weather conditions)
- Available to work after hours
- Provide a satisfactory Vulnerable Sector Check prior to starting employment
