

## Instrumentation Supervisor

### Permanent, full-time leadership position with Hamilton Water in Hamilton, ON

Are you an Instrumentation Engineering Technician or similarly qualified professional with experience in delivering a technical program? If so, here's an exciting opportunity with the **City of Hamilton** to lead by example and ensure the supervision and administration of the Instrumentation Team.

Reporting to the Superintendent, Plant Maintenance, you'll supervise the day-to-day operations of the Instrumentation Technicians carrying out basic predictive and preventative maintenance work in the Water and Wastewater Treatment Facilities, Outstations of Water Treatment Plant, Wastewater Treatment Plants, Municipal Wells, Water/Wastewater Pumping Stations, Reservoirs and CSO Tanks within the City of Hamilton. Among other duties, you'll also support commissioning activities and provide input into capital delivery projects.

It will be your responsibility, as Instrumentation Supervisor, to ensure that all work is completed in accordance with documented procedures, best practices and legal requirements.

### QUALIFICATIONS

#### Your qualifications as an Instrumentation Supervisor include:

- Proven knowledge of basic and preventative instrumentation maintenance usually acquired by obtaining a college diploma as an Instrumentation Engineering Technician, a Certificate of Qualifications 447A, or a combination of related education and relevant work experience.
  - A valid Class "G" driver's licence.
  - Ability to obtain by examination:
    - a) An Ontario Level 1 Wastewater Treatment Operation, Certificate of Competency and
    - b) An Ontario Level 1 Wastewater Collection Operation, Certificate of Competency and
    - c) An Ontario Level 1 Water Treatment Operation, Certificate of Competency and
    - d) An Ontario Level 1 Water Distribution Operation, Certificate of Competency.
- NOTE:** These licences must be obtained within a period of five (5) years of job commencement to continue your employment in this position.
- Demonstrated knowledge of the Occupational Health and Safety Act and its regulations for Industrial Establishments.
  - Proven experience supervising, and providing leadership for, a technical team.
  - Proven experience in leading and delivering a technical program.
  - Demonstrated ability to work effectively as part of a team and independently.
  - Demonstrated experience working in a water or wastewater treatment plant, or another large industrial environment.
  - Computer experience, including Microsoft Word, Excel, PowerPoint, and a Computerized Maintenance Management System (CMMS).

**NOTE:** As a condition of employment, the successful applicant will be required to obtain a satisfactory Criminal Records & Judicial Matters Check, at their own expense, prior to beginning work in this position.

This CUPE Local 1041 Supv permanent, full-time position offers a wage range of \$45.210 to \$50.233 per hour (based on a 40-hour work week schedule).
