

The Town of Collingwood Seeks: Wastewater Treatment Operator 1 (Contract)

People Thrive Here – Live More Now! Collingwood offers residents and visitors a healthy lifestyle of activities in beautiful and safe settings, including an active transportation network, an inclusive multi-generational artful community with strong civic pride, an animated waterfront and boating facilities, and is a hub of successful entrepreneurs and businesses offering rewarding jobs. Leading edge staff support Council and community decisions that are progressive, accountable and sustainable, protecting and leveraging Collingwood's core strengths: a vibrant downtown and community, a healthy natural environment attractive in all seasons, an extensive waterfront interconnected with the town, and our strong cultural and built heritage.

Reporting to the Wastewater Supervisor, Wastewater Treatment Operators perform a variety of skilled and semi-skilled technical and maintenance work in the operation, maintenance and repair of the wastewater treatment facility. Operators are responsible for effective operation ensuring that all operations are in compliance with legislation, guidelines and policies. The main duties and responsibilities of this position are in the areas of maintaining physical plant and equipment, operations, sampling, housekeeping, and general administrative functions.

Candidates must possess an Ontario Secondary School Diploma, and a Wastewater Treatment – Class 1 License (although those with a Wastewater Treatment OIT License may be considered), plus one (1) year of related experience. Mechanical, Electrical or Millwright License would be an asset.

Hours of work are forty (40) per week; flexibility in scheduling is necessary as there may be the occasional requirement to respond to urgent matters, perform evening, weekend or holiday work, and/or work overtime as necessary. The hourly wage for the position is \$33.35 per hour (hourly wage for OIT is \$30.26 per hour).
