As part of the Region's ongoing commitment to health and safety, there are enhanced Covid-19 specific safety protocols and/or personal protective equipment requirements (e.g. masks, eye protection, etc.) in place to help protect health and safety. The additional requirements are determined based on the nature of the work being carried out.

New employees who commence employment on or after October 1, 2021 are required to be fully vaccinated against COVID-19 as a condition of employment. Being fully vaccinated is determined as the status of having received the full series of approved vaccines (both doses of a two dose vaccine series, one dose of a single dose vaccine series) and any additional doses required and approved by Health Canada and having satisfied the full post vaccination period required to ensure vaccination efficacy. The Region of Peel reserves the right to request proof of vaccination at any time. Acceptable proof includes an Ontario Ministry of Health COVID-19 vaccine receipt which you can obtain through the Provincial portal <https://covid19.ontariohealth.ca/>, or other government-issued vaccine passport or certification.

The requirement to be fully vaccinated is subject to the Ontario *Human Rights Code*. *If you are not fully vaccinated*, a documented medical reason provided by a physician or registered nurse and time period for the medical reason may be accepted.
