

Job Opportunity:

Utilities Operator - Water (6-Month Contract)

Why InnServices?

InnServices Utilities Inc. is an award winning, progressive organization that delivers water and wastewater services in Innisfil, Ontario. With InnServices, you will be part of a cross-functional and collaborative organization that prides itself on safety, innovation & efficiency, quality & reliability, and fiscal prudence.

Our diverse organization values a supportive and respectful culture where employees can grow through training, education and further development opportunities. Our corporate mission is “to provide safe, reliable & Cost-efficient water & wastewater services, through innovation – that are valued by our communities. To foster an inclusive and supportive Utility that values our employees & our communities.”

Why You?

We are looking for a dynamic and forward-thinking Water Utilities Operator to join the InnServices team! In this role, you will be part of the team responsible for the operation and maintenance of Innisfil's Water Treatment and Distribution System, while ensuring compliance with Provincial Legislation and InnServices policies for the protection of public health and safety.

The Utilities Operator - Water will be responsible for:

- ✓ Operating and maintaining all InnServices owned water infrastructure in order to control production and water quality to the public users and the environment
- ✓ Performing daily rounds of treatment facilities for the analysis, monitoring and recording of: chemical usage and replenishing of supplies; daily production of supply volumes and operational hours; reservoir levels, generator status, system pressures; operational parameters as dictated by Ministry of Environment Certificates of Approval and regulations
- ✓ If qualified, participate in overtime, rotational standby duties and on call response after hours, including weekend work and stat holidays as required
- ✓ Availability to attend evening meetings or other events, if necessary.
- ✓ Perform other duties as may be assigned in accordance with corporate objectives

We are seeking a dedicated and driven individual who holds the following:

- ✓ Community College diploma in a related field (such as; Civil Engineering, Water, or Environmental studies) or equivalent related experience.
- ✓ Minimum of eight (8) months of experience in a water distribution and water treatment environment.
- ✓ As a minimum, must possess MECP OIT Certifications in both Water Treatment and Water Distribution and Supply.
- ✓ Must possess a Valid Class 'G' Driver's license

Pay for position will be per Class Certification System for MECP Certifications in Water Treatment and Water Distribution and Supply (See below):

OITs: \$35.01 per hour

Class I: \$39.60 per hour

Class II: \$44.48 per hour

Class III (and above): \$48.15 per hour

Note: All rates based on a 40 hour week

InnServices values an inclusive environment. Accommodation for persons with disabilities will be provided, on request, to support candidate participation in all aspects of the recruitment process. To request accommodation, please contact the Human Resources Department at people@innpower.ca.
