

**Posting For:** City of London

**Position:** Manager, Water Quality

**Position Type:** Permanent, Full-time

**File #:** 2432

The Corporation of the City of London strives to foster a workplace in which all individuals maximize their potential, regardless of their differences. We are committed to attracting, engaging, developing and celebrating exceptional people in public service who are representative of our community.

**Summary:**

Reporting to the Division Manager, Water Operations, the Manager, Water Quality is the designated person under the Safe Drinking Water Act for the Corporations compliance responsibilities as it relates to the Drinking Water Quality Management System and day-to-day monitoring of drinking water to ensure compliance under Ontario Regulation 170. This position works in a team environment along side other environmental specialists in the formulation of short- and long-term water quality workplans, budgets, policy analysis and development, and related business plans and initiatives. The Manager, Water Quality works with technical staff to deliver the programs and provides water quality expertise on City projects, as required, in conjunction with other City Project/Program Managers.

**Qualifications/Experience:**

- University Degree in Engineering, Chemistry or Environmental Sciences or in a relevant area of study or equivalent combination of education and related professional and lived community experience.
- Five to seven years related experience in delivering water compliance programs and the development of water quality management systems including management responsibilities.
- A valid driver's license and have available use of a vehicle is required.

**Compensation:**

\$100,395 - \$131,441

This posting is for 1 permanent, full-time position.

Current hours of Work: Monday - Friday from 7:30 a.m. to 3:30 p.m.

Work Arrangement: On-Site

These hours of work and work arrangements are subject to change in accordance with business requirements.
