- Fiscal Prudence

Why work for InnServices?

- We have a fantastic workplace culture!
- We welcome fresh, innovative ideas!
- We are a flexible company that offers hybrid work!

The Opportunity

We are looking for a dynamic and forward-thinking individual to be responsible for the regular operation repair and maintenance of the water distribution system.

Responsibilities include, but are not limited to:

- Perform duties related to the effective operations repair and maintenance of InnServices water distribution system outside of all facilities
- Coordinate with contractors and monitor new water main commissioning, review water main commissioning plans, install water meters, monitor new water main disinfection activities, and take water samples as required, exercise valves as part of the commissioning plan and witness and monitor new water mains tie-ins
- Conducts utility locates as required, analyze data regarding excavation locations and construction prints and operate various electronic devices
- Develops and implements distribution system maintenance strategies for valve exercising and hydrant maintenance and tagging
- Collect and process both regulated and non-regulated samples from the existing distribution system as required

An Emphasis on Health and Safety:

With health and safety being one of our core values, it is important to ensure you perform the duties of the position in a safe manner, in compliance with the Occupational Health and Safety Act, InnServices' Health and Safety Policy and Procedures Manual, and any other pertinent regulations, to promote a healthy and safe workplace for all employees.

Qualifications & Core Capabilities:

- Water Meter Installer license (governed by the Ministry of Training, Colleges and Universities)

- Minimum of two (2) years' experience performing operational and maintenance duties in a water distribution system. Experience performing locating, marking, and mapping utility lines will be an asset.
- MECP's Class 3 Water Distribution Certification
- Valid Class G level driver's license in good standing

InnServices values an inclusive environment. Accommodations for persons with disabilities will be provided, on request, to support candidate participation in all aspects of the recruitment process. To request accommodation, please contact Human Resources.

We thank all respondents for their interest, however only those who will be requested to attend an interview will be contacted. Any personal information submitted will be managed in accordance with the Municipal Freedom of Information and Protection of Privacy Act.
